

# Map to the Derr House

★ The Nature Conservancy's Derr House

## Directions

- At Exit 300 on Interstate 80, take State Highway 11 south for approximately 2 miles.
- Highway 11 will make a sharp curve to the east.
- As Highway 11 makes this curve, Platte River Drive will be the first gravel road that goes directly south from Highway 11. It is easy to miss so drive slowly!
- There is a long driveway leading to the Derr House – look for a wooden sign with our logo and “Platte River Prairies” on it
