#### SAFETY GUIDELINES

SAFETY IS YOUR RESPONSIBILITY - STAY WITHIN YOUR LIMITS

The information provided here on trail lengths, trail blaze colors, incline numbers and tread rating can assist you in making safe hiking decisions.

# TRAIL DIFFICULTY RATINGS

#### Incline Number:

- 1 Very little hill climbing
- 2 Some moderate hill climbing
- 3 Some significant hill climbing
- 4 A good deal of significant hill climbing
- 5 Nearly continuous steep hill climbing

#### Tread Rating:

- A Trail is most entirely on pavement; probably suitable for baby strollers.
- B A significant part of the trail is well-groomed with very little difficult terrain.
- C A significant part of the trail has somewhat difficult terrain (rocky or rooted paths).
- D A significant part of the trail has very difficult terrain.
- E The majority of the trail has very difficult terrain.

Protecting nature. Preserving life."
